Thank you for applying for the Clanfield Challenge Community Money donation. All applications will be considered by the committee and successful groups will be contacted once a decision has been made. In order to share the funds as widely and as fairly as possible, the committee may choose to donate less than applied for. Where appropriate, the Clanfield Challenge may wish to celebrate donations through photos and news articles, both online and in local press.

Funds should be available one month from the Clanfield Challenge event (end June 2018) which will allow the committee time to process applications and perform any due diligence required. Funds will be paid either by BACS or cheque, as appropriate for the organisation. We ask that all bank accounts have a minimum of two signatories.
